

## REMARKS

Applicant expresses appreciation to the Examiner for consideration of the subject patent application. This amendment is in response to the Office Action mailed January 22, 2003. No claims were objected to. No claims were rejected. The specification and drawings have been amended to address the concerns raised by the Examiner.

Claims 1-5 were originally presented. Claims 2 and 3 were previously cancelled without prejudice. Claim 6 was previously added. Claims 1 and 4-6 remain in the application. No claims have been canceled. No claims have been amended. No claims have been added.

The indication of allowable claims 1 and 4-6 is acknowledged with appreciation.

The specification has been amended to include the language suggested by the Examiner.

### **Drawing Objections**

The drawings were objected to under 37 C.F.R. § 1.83(a) for not showing every feature of the invention specified in the claims. Specifically, the Examiner requires that the "rotatable digit tip pads" must be shown or canceled from the claims. Therefore, as shown on the enclosed replacement sheet, Figures 5a and 5b has been amended, without adding new matter.

## CONCLUSION

In light of the above, Applicant respectfully submits that the drawings and specification are now in condition for allowance. Therefore, Applicant requests that the rejections and objections be withdrawn, and that the claims be allowed and passed to issue. If any impediment to the allowance of these claims remains after entry of this Amendment, the Examiner is strongly encouraged to call Steve Perry at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

No claims were added. Therefore, no additional fee is due.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 20-0100.

DATED this 30<sup>th</sup> day of March, 2004.

Respectfully submitted,

Steve M. Perry
